In the evening, we return to the hotel for an overnight stay.

We continue our journey along the southern coast until we reach the entrance to “Ara o te Moai,” heading towards Rano Raraku – the area of the volcano transformed into a megalith factory. To conclude the tour, we explore Ahu Tongariki – the largest and most impressive, restored monument on Rapa Nui with 15 powerful Moai placed back in their original positions. Return to the hotel.
